

ACADEMIC REGULATIONS FOR 6-YEAR INTEGRATED B.TECH PROGRAMME

Applicable for Students Admitted from Academic Year 2024-25 onwards (R24 Regulations)

Ref: RGUKT/ACAD/R24/REG-01

Effective: AY 2024-25 onwards

Authority: Academic Council, RGUKT-AP

1. Preamble and Institutional Vision

Rajiv Gandhi University of Knowledge Technologies - Andhra Pradesh (RGUKT-AP) was established through Act 18 of 2008 by the Government of Andhra Pradesh to cater to the educational needs of gifted rural youth. The primary objective is to provide high-quality, subsidized residential education blending foundational science, ICT learning-by-doing, and rigorous engineering mastery.

The academic structure consists of a seamless 6-year integrated course divided into Phase-I (2-Year Pre-University Course equivalent to +2/Intermediate) and Phase-II (4-Year B.Tech Degree across core engineering branches).

2. Structure of the Academic Programme

- **Phase I (PUC 1 & PUC 2):** 4 Semesters covering Mathematics, Physics, Chemistry, English Communication, and Information Technology.
- **Phase II (Engineering E1 to E4):** 8 Semesters of deep domain specialization across 7 engineering branches with 160 total credits.
- **Instructional Duration:** Each semester comprises a minimum of 70 instructional days with continuous ICT integration.
- **LMS & 1-to-1 Laptops:** Every admitted student is equipped with a personal laptop and campus LAN access for interactive e-learning.

3. Attendance & Promotion Rules

A student must secure a minimum of 75% aggregate attendance in all registered subjects to be eligible for End-Semester Examinations.

Condonation of attendance up to 10% (65% to 74.9%) may be granted by the Campus Director upon valid medical grounds with appropriate certification.

Promotion from PUC to B.Tech requires clearing all foundational courses. Promotion across engineering years requires accumulating at least 50% of total credits up to the preceding academic year.

4. Evaluation Scheme & Grading System

- **Continuous Assessment (40 Marks):** Comprises 3 internal computerized tests (best of 2 considered), assignments, quizzes, and laboratory performance.
- **End Semester Examination (60 Marks):** Comprehensive proctored university examination covering the entire semester syllabus.
- **10-Point Absolute Scale:** Grades awarded from Ex (10), A (9), B (8), C (7), D (6), E (5) to R (Remedial/Backlog).
