

M.TECH ACADEMIC REGULATIONS & ORDINANCES

Postgraduate 2-Year Full-Time Master of Technology Academic Framework

Ref: RGUKT/PG/MTECH-REG

Effective: AY 2023-24 onwards

Authority: Academic Council, RGUKT-AP

1. Postgraduate Programme Structure

The Master of Technology (M.Tech) programme at RGUKT-AP spans 4 semesters (2 Academic Years). The curriculum is designed with an advanced computational engineering orientation.

Semesters 1 and 2 comprise core specialization theory, computational laboratories, and advanced electives (40 credits).

Semesters 3 and 4 (Year 2) are dedicated entirely to an in-depth dissertation project (30 credits).

2. Teaching & Research Assistantships (TA/RA)

- **Eligibility:** Full-time M.Tech scholars with valid GATE score or top entrance merit.
- **Assistantship Duties:** Up to 8 hours/week assisting faculty in undergraduate laboratory instruction and tutorial grading.
- **Stipend Support:** Provided as per AICTE/State Government norms during the period of regular study.
